Sir,

With reference to your No. 542 dated 29th July 1907 regarding the probable price that might be expected to be realized by the sale of the old car of Sri Lakshmi Narain Swamy temple at Shimoga, I have the honour to state that the car was sold on 29th April 1907 and again on 7th July 1907 but no bid was forth coming. Blacksmiths and Carpenters declined to purchase the car, as they said that it could not be turned to any good account. One Rangappa however offered to purchase it for Rs 5-0-0, but that man is since dead. The Amildar suggests that instead of disposing of the car for such a small price, the same may be retained with a view to give an opportunity to intending benefactors to repair the car and make it fit for use on some future occasion.

I have the honour to be,
Sir,
Your most obedient Servant,
